

TERRORISM & EXTREMISM

Barbara Molas: Multiculturalism and the Transnational Threat of Far-Right Extremism

MARCH 6, 2023

On this episode of OrionTalks, our host Suat Cubukcu speaks with [Dr. Barbara Molas](#), a Research Fellow for the Current and Emerging Threats Programme at International Center for Counter-terrorism (ICCT), about far-right extremism. Dr. Molas shares her insights on the intersection between multiculturalism and far-right extremism, its transnational nature, the use of symbols and memes by far-right extremist groups on online platforms, and the challenges in preventing and countering far-right extremism amidst increasing disinformation campaigns, conspiracy theories, and political polarization.

[Dr. Bàrbara Molas](#) is a Researcher at the International Centre for Counter-Terrorism (ICCT), where she looks at far-right and anti-establishment threats.
