# Non-Resident Fellow Federico Donelli's Commentary on The Conversation

OCTOBER 16, 2024

Our Non-Resident Fellow Federico Donelli published a commentary on The Conversation on Turkey's mounting interests in Somalia. From the article,

From energy investment to security cooperation, Ankara is positioning itself as a key player in this strategically important yet volatile region. As Somalia continues to face instability, Turkey's engagement will evolve, shaping both local dynamics and the wider geopolitical landscape.
